TITLE II—AMENDMENTS TO PUBLIC LAW 874, EIGHTY-FIRST CONGRESS

64 Stat. 1100.
20 USC 237.

SEC. 201. Subsection (a) of section 2 of the Act of September 30, 1950 (Public Law 874, Eighty-first Congress), as amended, is amended by striking out "six succeeding fiscal years" and inserting in lieu thereof "seven succeeding fiscal years".

20 USC 238.

SEC. 202. Subsection (a) of section 3 of such Act is amended (1) by striking out "1957" and inserting in lieu thereof "1958" and (2) by striking out "the preceding fiscal year" and inserting in lieu thereof "such fiscal year".

SEC. 203. Subsection (b) of section 3 of such Act is amended (1) by striking out "the preceding fiscal year" and inserting in lieu thereof "such fiscal year", (2) by striking out "(other than those specified in subsection (a) hereof)", and (3) by adding at the end thereof the following new sentences: "A child of a parent who commenced residing in or near the school district of such an agency while assigned to employment, as a member of the Armed Forces on active duty, on Federal property (situated in whole or in part in the same State as the school district of such agency or within reasonable commuting distance from such school district) and who was subsequently assigned elsewhere on active duty as a member of the Armed Forces, shall continue to be considered as residing with a parent employed on such Federal property for so long as the parent is so assigned elsewhere. If both subsection (a) and this subsection apply to a child, the local educational agency shall elect which of such subsections shall apply to such child."

SEC. 204. (a) Subsection (c) of section 3 of such Act is amended by striking out paragraph (1) thereof and inserting the following new paragraphs in lieu thereof:

"(c) (1) The amount to which a local educational agency is entitled under this section for any fiscal year ending prior to July 1, 1958, shall be an amount equal to (A) the local contribution rate (determined under subsection (d)) multiplied by (B) the sum of the number of children determined under subsection (a) and one-half of the number determined under subsection (b).

"(2) No local educational agency shall be entitled to receive any payment for a fiscal year with respect to a number of children determined under subsection (a) or subsection (b), as the case may be, unless the number of children who were in average daily attendance during such year and to whom such subsection applies—

"(A) is ten or more; and

"(B) amounts to 3 per centum or more of the total number of children who were in average daily attendance during such year and for whom such agency provided free public education.

Notwithstanding the provisions of clause (B) of this paragraph, the Commissioner may waive the 3 per centum condition of entitlement contained in such clause whenever, in his judgment, exceptional circumstances exist which would make the application of such condition inequitable and would defeat the purposes of this Act.

"(3) Notwithstanding the preceding provisions of this section, where the average daily attendance at the schools of any local educational agency during the fiscal year ending June 30, 1939, exceeded 35,000—

"(A) such agency's percentage requirement for eligibility (as set forth in paragraph (2) of this subsection) shall be 6 per centum instead of 3 per centum (and those provisions of such paragraph (2) which relate to the lowering of the percentage requirement shall not apply); and

"(B) in determining the number of children under subsection (a) or (b) with respect to whom such agency is entitled to receive payment, the agency shall be entitled to receive payment with respect to only so many of the number of children whose attendance serves as the basis for eligibility under such subsection, as exceeds 3 per centum of the number of all children in average daily attendance at the schools of such agency during the fiscal year for which payment is to be made."

(b) Paragraph (2) of subsection (c) of section 3 of such Act is amended (1) by redesignating such paragraph as paragraph (4), (2) by striking out "1957" and inserting in lieu thereof "1958", (3) by striking out "the preceding fiscal year" and inserting in lieu thereof "such fiscal year", (4) by striking out "succeeding fiscal year" and inserting in lieu thereof "two succeeding fiscal years", (5) by striking out "the preceding year" and inserting in lieu thereof "such year", and (6) by striking out "such preceding year" and inserting in lieu thereof "such year".

"(5) The determinations whether a local educational agency has met the percentage requirements for eligibility under paragraphs (2), (3), or (4) of this subsection for any fiscal year shall be made on the basis of estimates by the Commissioner made prior to the close of such year, except that an underestimate made by the Commissioner pursuant to the foregoing provisions of this sentence shall not operate to deprive an agency of its entitlement to any payments under this section to which it would be entitled had the estimate been accurate."

(d) Subsection (e) of section 3 of such Act is amended by striking out "subsection (c) (2)" and inserting in lieu thereof "subsection (c) (4)".

SEC. 205. Subsection (d) of section 3 of such Act is amended (1) by striking out "generally comparable" and inserting in lieu thereof "most nearly comparable" and (2) by amending the next to the last sentence thereof to read as follows: "In no event shall the local contribution rate for any local educational agency in any State in the continental United States for any fiscal year be less than (i) 50 per centum of the average per pupil expenditure in such State or (ii) the national average per pupil local contribution rate but not to exceed the average per pupil expenditure in such State. For purposes of the preceding sentence 'average per pupil expenditure in such State' means the aggregate current expenditures, during the second fiscal year preceding the fiscal year for which the computation is made, of all local educational agencies in such State (without regard to the sources of funds from which such expenditures are made), divided by the aggregate number of children in average daily attendance to whom such agencies provided free public education during such second preceding fiscal year; and 'national average per pupil local contribution rate' means the aggregate amounts to which local educational agencies in the continental United States became entitled under section 3 (c) (1) for such second preceding fiscal year, divided by the aggregate number of children used under section 3 (c) (1) in computing such amounts (counting children under section 3 (b) as one-half those under section 3 (a))."

Local contribution rate.

SEC. 206. Section 3 of such Act is amended by adding at the end thereof the following new subsection:

"ADJUSTMENT FOR CERTAIN DECREASES IN FEDERAL ACTIVITIES

"(f) Whenever the Commissioner determines that—

"(1) a local educational agency has made preparations to pro-

vide during a fiscal year free public education for a certain number of children to whom subsection (a) or (b) applies;

"(2) such preparations were in his judgment reasonable in the light of the information available to such agency at the time such preparations were made; and

"(3) such number has been substantially reduced by reason of a decrease in or cessation of Federal activities or by reason of a failure of any of such activities to occur,

the amount to which such agency is otherwise entitled under this section for such year shall be increased to the amount to which, in the judgment of the Commissioner, such agency would have been entitled but for such decrease in or cessation of Federal activities or the failure of such activities to occur, minus any reduction in current expenditures for such year which the Commissioner determines that such agency has effected, or reasonably should have effected, by reason of such decrease in or cessation of Federal activities or the failure of such activities to occur."

20 USC 239.

SEC. 207. Subsection (a) of section 4 of such Act is amended (1) by striking out "1957" both times it appears therein and inserting in lieu thereof "1958", and (2) by striking out "section 2 of".

"(A) children with respect to whom a local educational agency is, or upon application would be, entitled to receive any payment under section 3 for such fiscal year, and

"(B) children whose attendance is attributable to activities of the United States carried on in connection with real property which has been excluded from the definition of Federal property by the last sentence of paragraph (1) of section 9."

20 USC 240.

SEC. 209. Subsection (c) of section 5 of such Act is amended by striking out "subsection (c) (2)" and inserting in lieu thereof "subsection (c) (4)".
